

Wear in the World

Step ashore in style and comfort with the latest from Ryn Footwear, one of the most exciting new brands to hit the U.S. marketplace. These shoes are not only comfortable, but they strengthen, tone, and align your body at the same time by re-creating a natural foot strike environment. Intended for comfort and relief as well as a workout with physical results, these quality shoes and sandals can be found at www.rynfootwearusa.com.

Jazz up formal night with these swanky silver cufflinks by Swagger & Swoon. The company's unique and novel cufflinks are the perfect way to set your penguin suit apart from all the others. You'll find a great range of fun options to suit every taste. www.swaggerandswoon.com

After a long day of touring on shore, relax your feet in a pair of Pocketflops, which compactly fold to fit into any small bag. Available in a variety of contemporary designs, Pocketflops are comprised of 90 percent recycled materials and come with a 100 percent organic cotton carrying case. www.florcdesigns.com
